---

## BENEFITS:

- Seales Weightgainer is the ideal product for growing animals when feed is in short supply and/or pasture quality is declining
- Seales Weightgainer is an ideal product to use to ensure the continued growth of young animals to assist in protecting the future performance of your herd
- Seales Weightgainer can help ensure your heifers are closer to mature weight at 12-14 months which can improve calving spread and enhance milk production in the animals first lactation

---

*All information is presented in good faith using a globally accepted computer matrix, however, variation in values and the outcome of feeding this product may occur. The blend of ingredients in this formulation may vary according to supply and demand, however the target nutrient profile will always be maintained.*
