NO.1 MANUFACTURER
OF PELLETISED
STOCKFEED
GENUINELY CUSTOM
BLENDED TO MEET
INDIVIDUAL HERD
REQUIREMENTS**

WEIGHTGAINER

Seales Weightgainer pellets have been developed to meet the energy and nutrient requirements of growing animals. Seales Weightgainer is the ideal product for growing animals when feed is in short supply and/or pasture quality is declining. Traditionally when calves reach 100kg they stop being fed. Weightgainer gives you the ability to keep feeding ensuring better heifer weights at lactation, enabling them to produce more milk.

WEIGHTGAINER NUTRIENT PROFILE..

Crude Protein (%)	15
MJ ME (kg)	11
NDF (%)	35.5
Starch (%)	8.5
Crude Fibre (%)	10.5
Salt (%)	4.0

**Custom blending of additives may alter final product specifications
*Approximates on a dry matter basis

- 🌟 Grows animals when feed is in short supply and/or pasture quality is declining
- 🌟 Continued growth of young animals
- 🌟 Assists in protecting the future performance of your herd
- 🌟 Ensure your heifers are closer to mature weight at 12-14 months - make more milk
- 🌟 Improved calving spread & enhanced milk production in the animals first lactation

NIRS:

(Near Infrared Spectrometer).

Seales test all finished products with a FOSS NIRS to ensure its products meet specification. This is recognised as the most accurate rapid analysis in the world.

INGREDIENTS SELECTED FROM..

Maize, Barley, Wheat, Broll, PKE, Molasses, Zeolite, Salt, Lime, Seaweed Algafeed (*Leilinaure)

*Leilinaure Seaweed Algafeed is EXCLUSIVE TO SEALES and is extracted from pure natural seaweed. Leilinaure includes 12 identified vitamins, 13 identified minerals, 18 different amino acids as well as carbohydrates.

All information is presented in good faith using a globally accepted raw material matrix, however, variation in values and the outcome of feeding this product may occur. The blend of ingredients in this formulation may vary according to supply and demand.
